User Guide / Manual for Job Portal System

---

1. Introduction

Welcome to the Job Portal System! This guide will help you understand how to use all the features of the platform, whether you are a jobseeker or an employer. The portal is designed to make job searching and recruitment seamless and efficient.

---

2. Getting Started

Creating an Account:

- Jobseekers and employers must register using the sign-up pages.
- Employers must provide company details during registration.

Logging In:

- Use your email and password to log into your personalized dashboard.

---

3. For Jobseekers

- **Update Profile:** Navigate to "Edit Profile" to add your education, work experience, and skills.
- **Search Jobs:** Use the search bar on the dashboard or homepage to find jobs by title, location, or category.
- **Apply for Jobs:** Click the "Apply Now" button on job listings. You can upload a new resume or use the one saved in your profile.
- **Track Applications:** Monitor your submitted applications, status updates, and feedback from employers through your dashboard.

---

4. For Employers

- **Create Job Posts:** Use the "Post a Job" section to create new job listings with title, description, requirements, and status.
- **Manage Jobs:** View, edit, or close active job listings via the employer dashboard.
- **View Applicants:** Check the list of applicants for each job post, along with their resumes, profiles, and application dates.

- **Shortlist & Hire:** Shortlist candidates, invite them for interviews, or hire directly through the dashboard.

---

5. Tips & Best Practices

- Always keep your profile updated.
- Tailor resumes for different job applications.
- Employers should create detailed job descriptions to attract suitable candidates.
- Use the FAQs or Contact Form for any issues.

---

6. Troubleshooting & Support

If you encounter problems:

- Visit the FAQs page for common queries.
- Use the Contact Query Form to submit your issues.
- Utilize Live Chat support if available for immediate help.

Thank you for using the Job Portal System! We wish you success whether you are finding your dream job or recruiting the best talent.
